2011 – Holiday Inspiration – Day 16

Seeing circles because of the Holiday hustle and bustle?

Thanks, Myra!

Make some sewing time for yourself with circles of a different kind. Several colors of green yoyos attached to a foam tree core with straight pins painted red with Holiday red nail polish. Myra used five sizes of circles for these pretty little trees. Show us your style with your own version of tree or forest! Clover Yoyo templates make these yoyos simple, fun and fast.

Just like the Staples EASY Button... Let the button do the work.

Make a gorgeous necklace or brooch using a button as the focal piece. Mount a button to a pinback or bail with E-6000, then add a decorative chain and embellishments if you wish. Ta-da! In case you didn't already know, we have a HUGE assortment of pressed glass, metal, resin, wood, shell and Vintage buttons. You'll have to see to BELIEVE.
